# EMERGENCY MEDICAL TECHNICIAN COURSE

## Why become an EMT?

This is an awesome field to be in. Never the same day twice. For students wanting to go into the Medical field - it is a great way to begin to gain your patient contacts needed for some of the fields i.e. Physician Assistants. Jobs available in adventure parks, Emergency Rooms, and so much more.

## Pre-REQUIREMENTS:

- Must be 16 years or older by completion of the course
- Must submit to a criminal background and child abuse check
- Have a reading level of 10th grade minimum
- Meet PA Functional Descriptions
